Dear Richard,

Thank you for your understanding on the date of the Ryton on Dunsmore Parish Council meeting.

The Members met last night and did discuss all three of the planning applications, R16/1834, R16/2458, R17/0199. After discussion they resolved that they noted the applications but did not wish to make any comment.

Please take this as our formal response following the consultation.

Kind Regards,
Geoffrey Tooke
Clerk to the Council
