TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

LOCAL PLANNING AUTHORITY: RUGBY BOROUGH COUNCIL
RBC Planning@rugby.gov.uk

APPLICATION NUMBER: R17/1749

ADDRESS OF DEVELOPMENT: JAGUAR LAND ROVER SPECIAL VEHICLE OPERATIONS UNIT 3 - PROLOGIS PARK IMPERIAL ROAD RYTON ON DUNSMORE RUGBY CV8 3LF

APPLICATION DESCRIPTION: Proposed installation of chillers/air handling units

These applications have been reviewed and I enclose RYTON ON DUNSMORE comments.

Overall RYTON ON DUNSMORE

Wish to comment

The Parish Council has had residents with concerns about noise from the proposed chillers/air handling units. The Parish Council shares these concerns and wish to ensure every effort is carried out to prevent this equipment from causing any noise nuisance.

The noise assessment shows that the daytime noise maybe not audible due to the traffic on the A423. Unfortunately this traffic is bursting and the noise values in the traffic quiet periods could be a problem. The night time figures assume that the plant is not run at full volume. The Parish Council is concerned that on a hot quiet night the residents will be subjected to continuous noise.

We note that additional information has been provided to erect a three sided solid screen. It is hoped that this will prevent some of the problems but measures should be included in any planning grant to verify that this measure is adequate.

Please let me know of the final outcome of this application.

Yours faithfully

Miss Lindsay Foster
Clerk to the Council
